- Before we get making, we need to make sure that we have everything ready to go. To make our cushion, we will need three balls of Wool and the Gang's Crazy Sexy Wool, which is a really fantastic yarn made from a hundred percent Peruvian wool, and it's super easy to knit with. Today I'm gonna be using ivory white. We will also need one pair of U.K. size 12 or U.S. size 17 knitting needles and one cable needle. I'm gonna be using Wool and the Gang's very own maple wood needles today. We will also be needing a cushion innard which measures 45 centimeters by 45 centimeters or 17.5 inches by 17.5 inches. Things that will also come in handy while we're making is a tape measure, a pair of scissors, and then to finish it all off, a sewing needle. Also, don't forget to have your pattern handy, because this will have everything you need for your project.
