Sarasota County Libraries

BOOKS BY MAIL

What's Books by Mail?

Books by Mail is a free service personalized for eligible patrons to select and borrow materials from Sarasota County Libraries. Available materials include large print books, audiobooks, music CDs, Playaways, DVDs and Blu-rays.

Who is eligible?

Any Sarasota County resident who cannot visit one of the 10 library branch locations due to a disability is eligible. Patrons must have a current Sarasota County library card, fill out an application and create a Reader Profile to get started.

How does it work?

Books by Mail patrons can select materials, or a staff member can assist in choosing items based on the patron's preferences, as detailed in their Reader Profile.

Books by Mail patrons receive their selected materials in reusable zippered bags through the U.S. Postal Service and can receive up to eight items at a time. Materials must be returned or renewed within eight weeks. A return address label is included in the package, making it easy to mail back.

Apply now!

Call 941-861-1110 to request our Books by Mail service, during regular business hours, Monday through Friday, 10 a.m. to 5 p.m.
